

Deer Path Art League Art Fair on the Square - Instructions

Show Hours: 10:00-5:00 Sunday; 10:00-5:00 Monday

Welcome to the 56th annual **Art Fair on the Square**; we are looking forward to good weather and a successful show for everyone!

Again, we are able to offer the opportunity for those with booth locations in the **Square** to set up the night before the show. (This includes booths **91-162; 182 & 183; 172-181**) However, the City of Lake Forest will not close Western Avenue (**booths 1-90**) or South Gate (**booths 163-171**) on Saturday so artists on those streets must wait until Sunday morning to set up. **You will find your booth assignment on Zapplication and the attached map will indicate its location.** The map and these instructions are also on our web site www.deerpathartleague.org along with hotel and restaurant information, and a listing of the 2010 exhibitors. (We'll do one more update of the exhibitor list before the show to include artists added from the wait list.)

Please note the location for check-in on the attached map; **a photo ID** (driver's license or other official identification with an image of the applicant) of the person who applied to the show is required. At the check-in point you will receive your packet and a pass to get into the show area. Volunteers at the entrances to the show grounds will ask to see this pass before allowing you to set up.

Saturday evening set up will begin at **6:30 PM**; Sunday set up begins at **6:00 AM**. In order to accommodate everyone in the short time available, **please park your vehicle near your space only long enough to unload it – twenty minutes at the most.** After that time you will be asked to move your vehicle outside of the show area to make room for other artists to get in.

TRAFFIC PATTERN

The flow of traffic is ONE WAY from SOUTH to NORTH – no exceptions !!

Booths on Western Avenue: Drive out of the check-in point, turn right onto Deerpath Road, cross the tracks, and turn right again to enter the show area on Western Avenue.

Booths on the Square: Drive out of the check-in point, turn right onto Deerpath Road, cross the tracks, and continue west until you get to Bank Lane, then turn right.

Booths on South Gate and North Gate: Drive out of the check-in point, turn right onto Deerpath Road, cross the tracks and continue west until you get to Forest Avenue, then turn right. Please park your vehicle on Forest Avenue or in the large parking lots just to the west and dolly your work to your space. No vehicles will be allowed on South Gate (**booths 163-171**) or North Gate (**booths 172-181**); the streets are too narrow. **Do not attempt to enter on Bank Lane**; you will not be able to get near your booth from that street and you are likely to get bogged down completely!

Breakdown: The traffic pattern for breakdown is the same as for set up – **ONE WAY from SOUTH to NORTH. Please have your display and art work packed up before bringing your vehicle in for loading.** You may not park your vehicle beside your space while you dismantle your entire booth. **Absolutely no vehicles** will be allowed within the show boundaries until 5:30PM.

Parking:

Artist all day parking is located in two lots on the east side of the tracks; one is just north of Westminster, the other is just south of Deerpath. There is a third lot for artist parking at Deerpath and Oakwood (one block west of Forest). For the benefit of all, please keep the parking areas closest to the show grounds available for your patrons! If you need to leave a vehicle in a lot overnight, let us know. Vehicles parked in alleys will be towed away at the owner's expense.

Booth Spaces:

Extra stock must be stored within, or immediately behind your booth space or in your vehicle; you may not use the sidewalks for storage, especially where the Children's Art sections are located. **NO STAKES ARE ALLOWED IN THE GRASS OR ON THE STREET!** (There is an underground sprinkling system in the grass area (Booth numbers 111-132) which could be damaged by stakes.)

The Deputy Police Chief of Lake Forest strongly urges all artists to **use weights on their tents** to help prevent damage in the event of high winds.

Sales Tax :

The sales tax is **7.5%**. You are responsible for collecting and remitting to the Illinois Department of Revenue.

Breakfast:

Each artist will be provided with a goodie bag on Sunday morning with treats provided by Whole Foods, Sunset Foods, and South Gate Café. The Monday morning Awards breakfast will be held at nearby Gorton Community Center; you will find details about this in your show packet.

Security:

Two security guards will be on duty both Saturday and Sunday evening so it will be possible to leave your display in place. However, the Deer Path Art League is not responsible for any damage or loss of tents, displays, or artwork left in the show area overnight.

Restrooms:

Port-O-Potties will be in two areas; see map for locations. One handicapped port-o-potty will be located on Bank Lane.

Clean Up:

Each artist is responsible for making sure that the area surrounding his or her booth is clean at the end of each day.

Show Closing:

The show closes at 5:00PM on Monday. For safety reasons, **absolutely no vehicles** will be allowed within the show boundaries until 5:30PM.

Safety Plan:

NEW CURB CONFIGURATION! The City of Lake Forest has just finished construction on Western Avenue. Please be mindful of curbs and watch your step!

In the event of severe weather and high winds the Lake Forest police will notify the Deer Path Art League and we in turn will notify the artists and the public. The Deputy Chief of Police recommends that in such an event artists and guests should go to their cars and leave the area, or proceed to the train station or to the Gorton Community Center (where artist's award breakfast is held) for shelter.
